Thank you for your interest in the Shiawassee County 4-H Youth Development program. In the Shiawassee County club directory, you will find clubs in alphabetical order and a listing of the projects that they are most heavily involved in.

HOW DO I START?

Join an Existing Club:
Take a look at what our clubs have to offer in Shiawassee County. Contact the MSU Extension office directly to see if that club will be a good match for your family. Not all clubs offer all projects, so find a club that offers leadership in the project area that meets your interests.

Start your own Club:
All you need is 5-10 kids and two adult volunteers to organize the club. Choose the areas of interest and meeting times. Our 4-H staff will help you get started.

Decide on a Project:
There are many different project areas for 4-H members to participate in. Whether your area of interest is animal based, agriculture, photography, science, or even theatre. The sky is the limit and you are only restricted by your imagination.

Enroll in 4-H Online:
Michigan 4-H uses 4-H Online to manage member enrollments. You can find the website at mi.4honline.com. If you have any questions about enrolling, please contact the Extension Office for help. We look forward to meeting you and enrolling your family as 4-H members!
